VOX COLLEGII

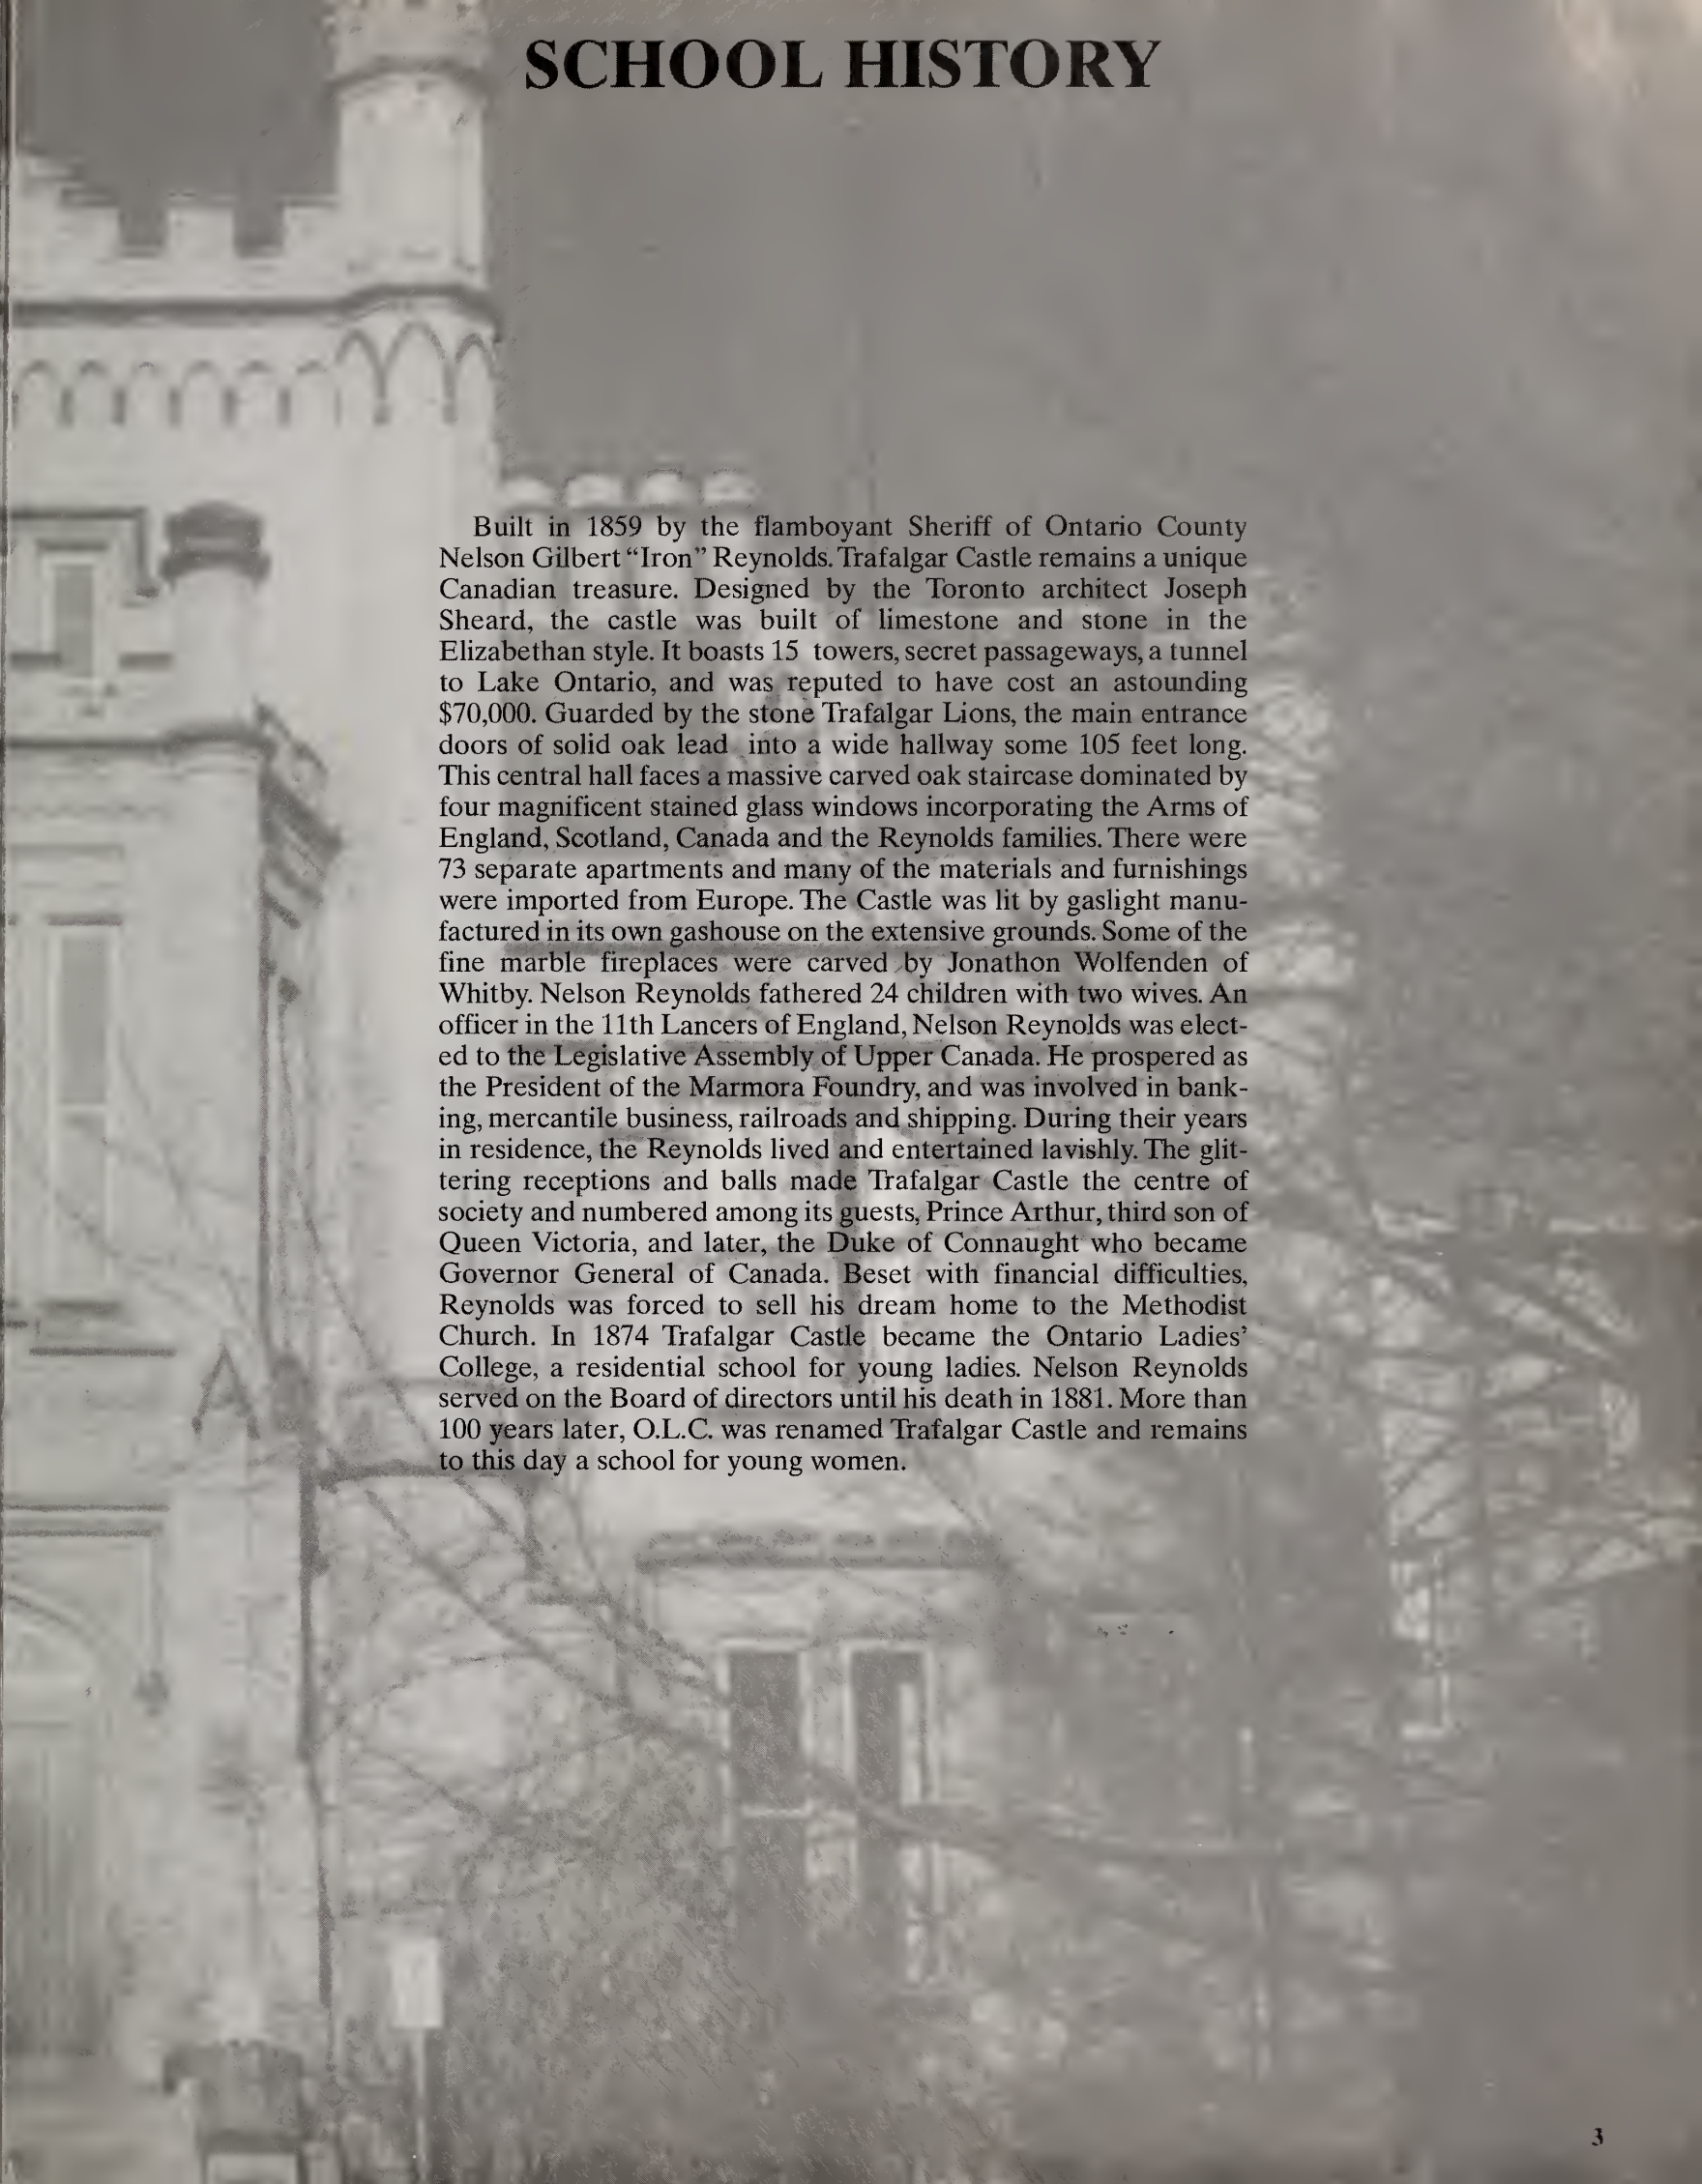

SCHOOL SONG

Dear old Trafalgar
Hear thou our hymn of praise.
Hearts full of love we raise
proudly to thee.
Thy splendor never falls,
Truth dwells within thy walls,
Thy beauty still enthalls
Dear Trafalgar.

Through thee we honour
Truth, virtue, loveliness.
Thy friendships e'er possess
Our constancy.
Thy spirit fills us through,
So we'll be ever true
To our dear blue and blue
Of Trafalgar.

O! Alma Mater:
How can we from thee part?
Thou only hast our heart,
Dearest of schools.
Thy glory we shall see
Wherever we may be,
Still love of Trafalgar.
Our future rules.

SCHOOL HISTORY

Built in 1859 by the flamboyant Sheriff of Ontario County Nelson Gilbert "Iron" Reynolds, Trafalgar Castle remains a unique Canadian treasure. Designed by the Toronto architect Joseph Sheard, the castle was built of limestone and stone in the Elizabethan style. It boasts 15 towers, secret passageways, a tunnel to Lake Ontario, and was reputed to have cost an astounding \$70,000. Guarded by the stone Trafalgar Lions, the main entrance doors of solid oak lead into a wide hallway some 105 feet long. This central hall faces a massive carved oak staircase dominated by four magnificent stained glass windows incorporating the Arms of England, Scotland, Canada and the Reynolds families. There were 73 separate apartments and many of the materials and furnishings were imported from Europe. The Castle was lit by gaslight manufactured in its own gashouse on the extensive grounds. Some of the fine marble fireplaces were carved by Jonathon Wolfenden of Whitby. Nelson Reynolds fathered 24 children with two wives. An officer in the 11th Lancers of England, Nelson Reynolds was elected to the Legislative Assembly of Upper Canada. He prospered as the President of the Marmora Foundry, and was involved in banking, mercantile business, railroads and shipping. During their years in residence, the Reynolds lived and entertained lavishly. The glittering receptions and balls made Trafalgar Castle the centre of society and numbered among its guests, Prince Arthur, third son of Queen Victoria, and later, the Duke of Connaught who became Governor General of Canada. Beset with financial difficulties, Reynolds was forced to sell his dream home to the Methodist Church. In 1874 Trafalgar Castle became the Ontario Ladies' College, a residential school for young ladies. Nelson Reynolds served on the Board of directors until his death in 1881. More than 100 years later, O.L.C. was renamed Trafalgar Castle and remains to this day a school for young women.

PRINCIPAL'S MESSAGE

The many roles of Mr. Kamcke. From left to right: Mr. Kamcke participates in the annual staff versus student baseball game. Mr. Kamcke relaxes in his office. "Is that a history or golf magazine?" Mr. Kamcke addresses students, staff, family and friends on Trafalgar Day. Lower Left: At the Prefect Chapel, Mr. Kamcke graciously accepts the gift of a dish of candies from the students.

For the past seventeen years I have had the opportunity and the honour of writing a short message in this fine publication. I have also enjoyed reading the finished product each year and have carefully preserved all past issues to take with me when I leave.

I understand that the theme for the yearbook this year is "windows". When I was offered the chance to come here seventeen years ago, a window of opportunity opened up for me. I had long dreamed of leading a school like ours and I eagerly passed through that window to a new phase of my career and life. I have never for a moment regretted passing through that window, although the challenges of my new life amongst girls after so many years with boys put me to the test.

When I, along with this year's grads, have left the school, it will be harder for us to retain the many joys of life that Trafalgar Castle has to offer. In the years ahead we will turn to this yearbook as a window into the past. By passing through that window we will, through memory, enjoy again the friendships and accomplishments of our times in this wonderful place.

In closing I would like to congratulate the editors, Julianne Hsu and Peggy Yu, and their staff for their work and dedication in once again producing this book. I know it will provide an accurate record of the past year and open up a window for wonderful memories in the future. I would also like to, on behalf of the whole school, thank Mrs. Janet Pollitt who works tirelessly to ensure that each year the yearbook is of the highest quality.

VICE-PRINCIPAL'S MESSAGE

Mr. J.B. McClure
Vice-Principal/Director of Studies

Once again, I have been asked to put pen to paper and write a message for the yearbook. This year the theme for our yearbook is "windows". How appropriate! Many of you will have noted that this year my office underwent some remodeling and new windows were part of its transformation.

A window of opportunity is a finite period of time where one has a unique chance to perform a task or accomplish a task. We are presented with these windows of opportunity each day. Opportunities to make a difference in the world or in the future of those around us. All too often we miss these windows of opportunity or let them slip by.

I want to encourage you to look for windows of opportunity where you can make a difference by helping others, giving a word of encouragement, befriending the lonely, giving from your plenty to those less fortunate or making the world a better place in which to live. We all need to seize these opportunities when they present themselves, for if we hesitate they will be gone.

I want to wish the graduates success in your future endeavours. We are proud of you as you leave us. You are the best we have to offer. Come back and let us know of your accomplishments.

Mr. and Mrs. McClure at the Grad Dance.

HEAD GIRL'S MESSAGE

It seems like yesterday that I was moving into my new room and helping others to move in also. But when I saw all the empty rooms on the last day of school, I realized that my one year of boarding has vanished, leaving me with memories of good friends and good times. I know that I'll never get another opportunity to come as close to friends again, so I will cherish the memories.

I can't thank enough the staff and faculty who made it possible for me to make it through my last year, from extra help and motivation to just caring and making me feel comfortable. I would also like to thank the prefects, who were a great group to work with and who knew and showed the true meaning of co-operation.

To the students: don't take for granted the opportunities given at Trafalgar. The education, leadership and life skills they provide, can only benefit you. To the grads: good luck in your future endeavours and if you believe, you can achieve.

Finally to Trafalgar: thank you for giving me the opportunity to learn and to practise leadership. It has allowed me to grow into a better person. As I take these life skills and use them in my future, I will always be grateful to Trafalgar.

"Here lies my past. Good-bye, I have embraced it. Thank you everyone. I wouldn't have missed it".

Abigail Pearson, head girl
at Senior Dinner.

Abi at the Grad Dance.

DIRECTOR OF RESIDENCE

Mrs. Jackson at Track and Field Day.

Mrs. Jackson, just relaxing.

Mrs. Jackson, "GIRLS!"

As I gaze from my office window at our beautiful grounds and the newly planted shrubs and flowers, I can hardly believe that the school year has come to a close.

I count myself fortunate and privileged to be a part of the Trafalgar family and that is truly what it is - a family. The support and advice I received from Mr. Kamcke were tremendous. I wish him and Mary much joy and happiness as he enters retirement.

Each and every one of you have been fortunate to be a part of the Trafalgar family. Cherish the memories of this year. To the Grads of '96, I wish you success and happiness in all you do. Strive to be the best that you can be and come back to see us often. To the returning students, I look forward with anticipation to another successful year.

We have much to look forward to in the future. We are entering new and exciting times at our beloved school...I, for one, am looking forward to being a part of them.

GAP STUDENT

Jane Benton, our British Gap Student.

Jane and her computer advisor

Thank you to everyone for making me feel welcome and giving me lots of exciting new opportunities. I have so many special memories, nearly killing myself snowboarding, learning to ski, education experience week with the crew in my condo. The list is endless. Driving the van was certainly an adventure as my survivors of my driving will know! (It was that right hand side of the road thing!) The Grade 10's...need I say more? I should have left them at the zoo!

Thanks to everyone I had classes with, everyone on Lower Ryerson, I'm sorry I had to hug you on Wednesday nights. To all the office staff for all the fun work they gave me to do and to Penelope and Percy, the photocopiers, for helping me to do it. Mrs. Jackson and Mrs. Mulhall for our weekends of fun and stress, remember Mrs. Jackson "stay cool and CHILL!" To my many Mums who looked after me when I needed it and to Ms. Dame for the many fun filled hours in her office.

It has certainly been lots of fun and I've learnt so much, especially about computers. I have a funny feeling I'll be back before you know it!

MESSAGE FROM THE EDITORS

This year it has been our pleasure to be the co-editors for Trafalgar Castle's yearbook. It is hard to believe that we are already writing this message and that our year is complete.

We have had so many memorable experiences. Being the editor is not an easy job, especially this year. It has been very challenging as we have begun to computerize the production of the yearbook.

We wish to extend a thank you to all the yearbook staff. You have worked well. Thank you to Mrs. Pollitt who taught us a lot about the yearbook and to Mr. Cleary who helped us solve the computer problems.

We hope that you will all enjoy reading this book and that it will remind you of Trafalgar.

To Mr. Kamcke, we wish you a wonderful life after your retirement from Trafalgar Castle School.

Good luck to Cassandra and Joanne, the yearbook editors for next year.

I will miss you all. Mrs. Murphy, you are amazing. Mom and Dad, thank you from the bottom of my heart.

Carter House, we've made it through another successful year. We've had our losses, and we've had our amazing wins! From "Spirit Weekend" to the last event of the year Track and Field, we've tried our hardest and have had the most spirit!

It was amazing to see everyone getting involved in her own special way. With each member's contributions, great achievements have been accomplished, for instance, our memorable House Play, "Wheel Of Justice" and our amazing effort at the Swim Meet. I am hopeful that each member has taken advantage of the many opportunities to try new activities and has found something that she enjoys doing.

A huge THANK YOU to Chris, for being a level-headed, calm and an original individual. Without you, this year would not have gone as smoothly as it did. Best of luck to you and Josephine next year, I know you will be Superstars!

Finally, I would like to thank the House for giving me this wonderful opportunity and for having such faith in my actions. I have gained a lot from this experience and have had an enormous amount of fun!

Best wishes to all in your future endeavours!

Another year has come and gone and I must admit that this has been one of the best. From hearing endless excuses for House Games and at times having to yell threats, I still believe (being slightly biased) that Farewell is and always will be the greatest house. I've never seen as much spirit as I saw this year. Being Captain has definitely been an experience to remember. Jaclyn, you are the best sub, I love you for everything and remember that bribing works. Good luck next year, it will be quite a challenge. Thanks to everyone in the House for all your participation. You made this year unforgettable. To everyone leaving, the entire House will miss you and to everyone returning: I'll see you next year. For Amy (Captain '94-'95), 'if you think it in here, you can achieve it out there', and something from me to all of you: A smile can help you through your toughest days!

Your Captain
Chiara

Hi everybody, can't stop campaigning. Well, it's that time of year again and this time it is I who is saying goodbye. I loved being house captain of Hare, it is a glamorous and prestigious position, but lots of behind the scenes work! Thank you so much to everyone in Hare for an amazing year, I think we all had a good time what with the winning airband (She was working as a waitress in a cocktail bar...), House plays (The night was long and dark and the ocean and...), Swimming day (Don't get those signs wet guys!), May Day (Straight lines, PLEASE, Straight lines!!!!).

Thank you especially Tishya, you are the best sub-captain in the whole wide world, I hope you have an amazing time as house captain next year (You will with a little luck!). Congrats, as well, to Stephanie McDonald who will be a wonderful sub-captain.

All my best to everyone in Hare House, WE RULE!!!!

Enjoy it guys, the years go by pretty fast!

All my love,
Lonelle

I've been a member of Maxwell House for seven years and this year, I had the privilege of being house captain. Through each term that went by I was never surprised by how we were doing in the standings because all through the year I've seen nothing but enthusiasm, good sportsmanship and always having a great time as a unit. An example of our unison would be camping weekend when we performed our amazingly choreographed air band and our always entertaining, quality house plays.

Next year my sub-captain Nicole will take my place and I am positive she will lead our house full of spirit, commitment and excellence, just as she did this year.

Never have I seen a determined group of people like Maxwell house. That attribute is something you should always possess and as I leave Trafalgar I will never forget that.

Remember.....Blue will never go out of style!

Love,
Tara

CAMPING WEEKEND

This year's camping weekend at Camp Oconto, north of Kingston, was a great success. The four houses (Carter, Farewell, Hare and Maxwell) spent most of the weekend in friendly competition. Each house put forth tremendous efforts in being the loudest, most skillful and most enthusiastic house in the school. The competitive events included a cheering contest, an airband contest, and many relays involving water, balloons, eggs, dolls and other items which made the events both fun to par-

ticipate in AND watch.

The house competition was not the only focus of the camping weekend. The girls also had the opportunity to participate in activities such as swimming, canoeing, kayaking, evening campfires and even an overnight trip to a nearby island on Eagle Lake. Here dinner was cooked over an open fire and the girls slept under the stars.

At the end of the camping weekend, house ties were awarded to the top participants from each house who excelled in enthusiasm, participation, spirit and general promotion of their house! The

recipients were: Alexandra Begy and Stella Leung from Carter House, Roxanne Christian and Sienna Chung from Hare House, Ashley Bryant and Samantha Crabtree from Farewell House, and Suzie, Amanda and Rebecca Pollard from Maxwell House.

NATIONAL CHEMISTRY WEEK

ABOVE: Mrs. Sigsworth's reading period class created an interesting tin-foil sculpture.

Under the direction of Mr. Davis and his science students, our school was "hopping" as we celebrated National Chemistry Week, from October 16th to the 23rd. Everyone is now well acquainted with the MOLE (not the furry little rodent but a unit of the amount of a substance, 6×10^{23}). Students participated in a MOLYMPICS, a MULTIPLE CHOICE QUIZ, creating a MOLEDALLIONS from a mole of aluminum foil, and many other activities. Mr. Davis entertained the school with a finale to the week where he illustrated how fun and interesting chemicals and reactions can be! And the school is still standing!

ABOVE: Mr. Palmer's class also gets a hand in the action by creating a tin-foil tie.

BAZAAR

This year the organization of the Bazaar was a great challenge for us and for Mrs. Sigsworth.

This events began with an official sod-turning for our new gymnasium. (see pages 88, 89) Naturally we had all our usual features: Christmas room, fashion show, raffle, books, jar table, basket table and international food.

We would like to thank all the students, faculty and staff who helped to make this event such a success. With their help and the help of many dedicated parents, we were able to raise more than \$6,000 for our charities.

Many thanks from Jean Templeman and Pekkey Ha.

VALEDICTORY ADDRESS

Mr. Kamcke, Mr. Sims, faculty, parents, honoured guests, fellow students and graduating class of 1996.

Whitney Young Jr. once said:

"It is better to be prepared for an opportunity and not have one, than to have an opportunity and not be prepared".

As graduates of Trafalgar Castle School, we do not have to fear being unprepared. Trafalgar has not only prepared us for the many opportunities that await, but it has also given us many opportunities for which we the graduates, will be forever grateful.

During the years we have spent here, the many experiences and challenges that have faced us, for one reason or another, have been varied, unique and vital in moulding our characters and spirit. Today we will leave as stronger individuals than when we came.

Our time at Trafalgar has provided this graduating class with so much for which we can be thankful. Trafalgar has given us a quality education, an education of which each and everyone of us can be proud.

However, academics plays only a part of one's overall education. Knowing how to balance a chemical equation, factor exponents and being able to recall who wrote what book in 1904, will only get you so far in this world.

We have learned a lot, but perhaps one of the most valuable lessons has been the lesson of having tolerance for those around us. We have gained values and most importantly confidence in our own abilities.

Trafalgar Castle has instilled in us gifts we have yet to realize. It has transformed this graduating class from timid and shy girls into the individuals you see sitting here before you today, young women with varied talents and many leadership qualities. Trafalgar has taught us to carry ourselves with pride and to hold our heads high with dignity.

We will leave here today with self-esteem, self-respect and self-love. For this, the graduates are extremely grateful.

Long down the road of life we will remember with fondness, the true gifts of friendships made, loved shared and many treasured memories. Memories that will always remain in our hearts.

I would like to take a moment to say thank you to our parents for making it possible for us to attend such an exceptional school. You can rest assured you have made an excellent choice in sending your daughters here. Thank you Mom and Dad, for your continued love, support and faith.

To the faculty, a warm thank you. You have taught us more than perhaps you realize. You have been and continue to be an inspiration. Your friendship, guidance and humour from day to day will always be appreciated. I can't believe I'm about to say this, but thank you for the endless hours of homework, the stress that was piled upon us with ISP deadlines and the tests and quizzes and the labs and...well, the list goes on and on. The point is, we are definitely smarter for all this, but most importantly, we have learned to cope with pressure, manage hectic time-tables and have even mastered the art and reaped the benefits of "power napping".

Thank you for your time, coaching, enthusiasm and encouragement.

On behalf of this graduating class we would also like to extend a sincere thank you to Mr. Kamcke and wish him and Mrs. Kamcke all the best life has to offer. Thank you sir, for being such an excellent role model, teacher and believer in all of us. We will continue to hold you in the highest regard.

To the rest of the student body, I can only say, make the most of your time here at Trafalgar. Ignore the small imperfections, like cold drafty rooms, ghosts that visit continually and endless flights of stairs. What is important is that you are surrounded by caring, loving and concerned people who are interested in you.

I have found that everyone here rejoices with you in your successes and is willing to work with you through those times when you must face failure.

And finally, to my fellow graduates, WE DID IT!! Our hard work, dedication and countless efforts have paid off.

But, it hasn't all been hard work and no play. We've had a lot of fun. We will never forget the laughs we've had or the memories we've made.

It seems hard to believe that when we leave these school grounds today, diplomas in hand, it is our last moment as students of Trafalgar Castle School.

There will be sad farewells as we say good-bye to one another and to our school, where some of us have spent a third of our lives. But we can be content in knowing we are prepared and will find success in the next step of our life journey.

I would like to leave you with a quote that reminds me of friends and teachers at Trafalgar:

"A friend will joyfully sing with you when you are on the mountain top, and will silently walk beside you through the valley".

Thank you.

Amy Hickey - Our Valedictorian
